

CEREMONY SET FOR THURSDAY IN FRONT OF COURTHOUSE

4/1/2013

April is National Donate Life Month. In recognition, the county will be joined by the Center for Organ Recovery and Education for a ceremony in front of the courthouse on Thursday.

The county commissioners will be joined by members of law enforcement, volunteer firefighters, paramedics and military personnel to raise awareness for the increased need for organ, tissue and cornea donors. Indiana County residents who have been the recipients of donated organs will be on hand to speak about how the Center for Organ Recovery and Education has impacted their lives.

Indiana County Coroner Mike Baker says Indiana County has been a leader across Pennsylvania in organ and tissue donation. The ceremony in front of the courthouse is scheduled for noon on Thursday.
